## Album Design

Are you looking for a creative way to display your wedding, portrait or vacation images? We have a variety of ready-made layouts available in assorted styles for you to choose from. Our designers will produce an entire album design within the style of your choice from your chosen images.

Would you prefer to have an original design? No problem, we have that covered as well. Working with our Graphic Designers, you can come up with an original layout that no one else will have!

| Description | Per Print/Side Price |
|---|---|
| Ready-Made Album Design | $10.00 |
| Custom Album Design | $20.00 |

## Custom Collage & Card Design

Want to do a little something extra for your images? Why not have our designers create a Custom Collage for you?! Work closely with our designers so that your images are presented just how you want them.

At Digital Pro Lab, our designers specialize in Custom Card Design. Whether you want an invitation or greeting card designed, we can accomodate any style so that the end result is one-of-a-kind.

*Design rate depends on the complexity of the design desired.*

| Description | Price |
|---|---|
| Base Design Fee | $34.95 |
| Andy Warhol Collage (Single Image) | $75.00 |

## Marketing Design

Most companies know and understand that brand recognition and the right marketing material can drive business to your door. In addition to offering a large selection of Marketing Products, we also offer Custom Marketing Design to help your business get the recognition that it deserves.

We can design brochures, magazine ads, logos and more. Schedule an appointment today to talk with one of our designers about your project.

*Price determined by amount of time needed for completion.*

| Description | Price |
|---|---|
| Hourly Rate | $50.00 |
| Logo Design Rate (Minimum) | $150.00 |
