

### Eclipse Album

The Eclipse Album comes in black leather with self-adhesive black pages, available in a variety of sizes and fixed page lengths. All albums come with a deluxe album case. Imprinting options are available.

You can pick one of these albums up over-the-counter or order it bound with prints through one of our ordering systems.

Design your own album pages or have one of our talented designers create a full album design that you will love.

### Quickbooks

Quickbook pages are printed on our magazine-style silk paper. Choose a cover with a window or without. You can even add Imprinting or a Dust Jacket for added sophistication and style.

Our In-Store Kiosks allow you to design your own Quickbook albums, making it easy to place your images where you want them and add text. For those of you that don't want to bother with design, have our designers do that for you! Quickbooks are ready in 2-3 days, making them the fastest albums you can get from Digital Pro Lab!
