

Flushmount Album Leather Craftsmen 3500 Euro

Digital Pro Lab has partnered with Leather Craftsmen to bring you one of the highest quality Flushmount Albums on the market.

The 3500 Euro Flushmount Album is handcrafted with Genuine Leather and thick black pages. Prints are expertly mounted by hand, sprayed with a protective UV coating and cut flush for a clean and finished edge.

Choose between our standard Euro Black, Brown, Wine or Ivory color options. Additional colors available upon request.

Add a Front Cover Inset and Imprint to customize the outside look of your album.

Flushmount Albums take approximately 5 weeks to produce.

Prints are not included in the album rates below. Please see our Print pricing for additional print cost (add to book price for total album cost).
